HIGHLIGHTED CALENDER EVENTS

Community Lunch N' Learn

Diane Gallagher with Sexual Assault Prevention and Response Services (SAPARS) did a Lunch N' Learn with the community during January as part of awareness. There was a informational table setup and Diane spent time getting to know the community and talks of a possible group.

Oxford County Mental Health Services also had a Lunch N' Learn in for the community for better understanding of services offered.

Community Donation Meals

Beacon House Peer and Recovery Center has such an amazing community! We received donations that supported our Thanksgiving, Christmas, and New Year's Eve events. . Without the ongoing support of our community these meals wouldn't be possible! Make sure to join us for our upcoming Easter meal, which is also free to the community.

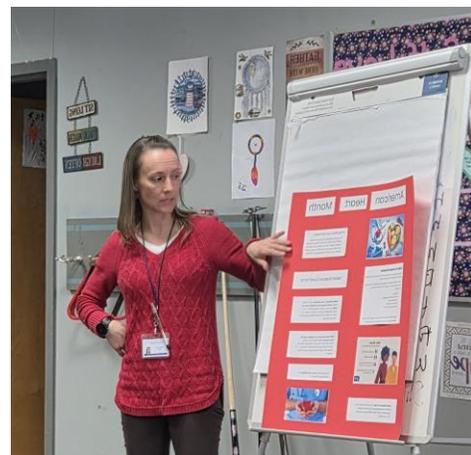

Community Social Events and other Happenings

Beacon House did a Valentine's Day social event with karaoke and some sweet treats! We also want to Thank The Kitchen at Rumford Community Quick Stop for the donation of pizza!

February was also **Heart Health Month** and Nurse Amanda was here in the community to help the community understand how important it to take care of our hearts! Thank you Nurse Amanda!

Thank you! Phoebe and Friends from Opportunity Enterprises for the delicious meal you created for our community! We love to help build community connections and opportunities for everyone in our community!
